CAR RACING

EVENT COORDINATORS: Sujal Maurya, Sanket Dhage

EVENT DESCRIPTION:

Get ready for an adrenaline packed day filled with fun, speed, and excitement! We are thrilled to invite you to our Fun Car Racing Event — an unforgettable experience where it's all about the thrill of racing in a fun, relaxed atmosphere.

Whether you're a racing enthusiast or just looking for a fun way to spend time with friends, this event has something for everyone. Test your skills, zoom through thrilling tracks, and enjoy the excitement of racing without any pressure.

Here's what you can expect:

- **HighSpeed Thrills:** Experience the rush of racing on specially designed tracks.
- **Friendly Environment:** Enjoy the race at your own pace in a casual, welcoming setting.
- **No Experience Required:** Open to everyone, whether you're a beginner or seasoned racer, it's all about having fun!
- **Memorable Moments:** Gather your friends, take on the track, and make memories that will last a lifetime.

Rules:

1.Handle with Care: All participants must handle the remote control cars and remotes carefully. Any rough handling, dropping, or misuse of the equipment is strictly prohibited.

2.Clean Hands: Ensure your hands are clean and dry before using the remote controls. No food or drinks near the remotes or cars.

3.Supervised Use: Remote control cars can only be operated under the supervision of an event organizer. Do not attempt to use the cars without permission.

4.Track Boundaries: Stay within the designated race track area. Do not drive the cars off the track or into restricted zones.

5.Time Limit: Each participant will have a set time limit with the remote control car to ensure fair participation and to avoid battery drainage.

6.No Forceful Adjustments: Do not forcefully adjust the remote or car parts. If there are issues with control or handling, notify the event staff for assistance.

7.Safe Driving: Avoid aggressive maneuvers that could cause collisions with other cars or damage the track. Drive carefully and maintain control.

8.Respect Other Players: Maintain a safe distance between your car and other participants' cars. No intentional crashing or blocking.

9.Report Issues: If the car malfunctions or you experience control issues, report them immediately to the event organizers. Do not try to fix the car on your own.
