Tech Debate

Event co-ordinators: Pranav Amale, Gulshan Thawani, Yash Deshmukh

Faculty co-ordinators: Prof. Sangharsh Syal, Prof. Chaitali Godse

Event Description:

Welcome to Tech Debate, the ultimate arena where bold ideas and cutting-edge innovations collide! This isn't just a debate – it's a showdown of minds as tech disruptors, innovators, and enthusiasts go head-to-head, challenging the status quo and pushing the boundaries of what's possible. From AI-driven futures to the ethics of data privacy, every argument ignites new possibilities, and every rebuttal shapes the future.

Expect unexpected twists, electrifying exchanges, and thought-provoking challenges in a debate format like no other. Step in, speak up, and watch as ideas transform into tomorrow's breakthroughs

Rules for the Event:

- **Team Composition:** Each team will consist of three members.
- **Topic Assignment:** Debate topics will be assigned to teams beforehand. Two teams will debate on a topic given beforehand. The total time allocated for a debate is 8 minutes.
- **Structure:**
 1. Opening Statement(1 minute per team): Each team gets a few minutes to present their opening argument.
 2. Rebuttal Round(4 minutes total): Each team gets a few minutes to respond to the opponent's arguments and can ask the opposing team questions.
 3. Closing Statement(1 minute per team): Each team gets some time for a final summary of their arguments.
- **Time Management:** A timer will be used, and teams must adhere strictly to time limits. Points may be deducted for exceeding the allocated time.
- **Conduct:** Respectful behavior and professional language must be maintained at all times. Personal attacks, offensive language, and derogatory remarks will not be tolerated.
- **Use of Technology:** Teams are encouraged to use data, research, and statistics to support their arguments.

TECHNOKRUTI
