Virtual Reality Demos

Event Co-ordinators: Chaitanya Mestry, Rasika Shinde, Sujal Maurya .

Event Description

The Virtual Reality Fun Extravaganza offers an engaging journey into the world of VR, utilizing VR glasses to create an immersive experience.

Participants will explore a series of captivating VR videos, showcasing breathtaking landscapes, exciting virtual environments, and innovative technological experiences.

These videos will provide a glimpse into various virtual worlds and adventures, allowing attendees to experience the excitement and possibilities of VR firsthand.

Get ready to be immersed in incredible virtual realms and witness the potential of VR technology through an array of visually stunning content.

Rules

1. **Handle with Care:** All participants must handle the VR gadgets carefully. Any rough handling, dropping, or misuse is strictly prohibited.
2. **Clean Hands:** Ensure hands are clean and dry before using the VR headset and controllers. No food or drinks near the gadgets.
3. **No Unsupervised Use:** VR equipment can only be used under the supervision of an event organizer. Do not attempt to use the gadgets without permission.
4. **Time Limit:** Each participant will have a set time limit with the VR gadget to ensure fair use and prevent overheating of the device.
5. **No Forceful Adjustments:** Adjust the headset or controllers gently. Do not force anything to fit; seek assistance from the event staff if needed.
6. **Seating Position:** Always remain seated while using the VR gadget to avoid accidental falls or collisions.
7. **Report Any Issues:** If you experience any discomfort or the gadget malfunctions, report it immediately. Do not try to fix it on your own.
8. **No Physical Contact with the Device's Lens:** Avoid touching the lenses of the VR headset.
