2. Event Description

Step aboard the ship of imagination where **AI meets Pirates!**

This competition challenges participants to craft unique and breathtaking pirate-inspired artwork using **any AI platform or tool of their choice**. The twist? The **topic will be revealed on the spot**, testing not only creativity but also adaptability and prompt-crafting skills.

From ghostly ships battling storms to futuristic cyber-buccaneers, participants must navigate uncharted waters of AI art and bring their visions to life. The event is designed to encourage innovation, originality, and fearless creativity — with a pirate's spirit!

3. Participation Guidelines

- **Eligibility** – Open to all college students.
- **Team Size** – Solo or maximum 2 members per crew.
- **Registration Process** – Online.
- **Confirmation & Communication** – Participants will receive updates via WhatsApp after registration.

4. Prize Details

1st Prize : 1500 rupees

2nd Prize : 1000 rupees

5. Rules & Regulations

- Teams must follow the pirate theme (topic revealed on the spot).
- Participants are **independent to use any AI art/design platform** (e.g., MidJourney, DALL·E, Canva AI, StarryAI, Leonardo.ai, etc.).
- All artwork must be created **within the competition timeframe**.
- Internet allowed only for AI art generation and prompt crafting.
- Any plagiarism or use of pre-made/external artwork = **disqualification**.
- Time limit = 1 hour (including prompt creation, AI generation, and submission).

6. Event Structure & Flow

- **Number of Rounds:** 1
- **Flow :**
 - Welcome & Pirate Introduction (5 min)
 - Topic Reveal (5 min)
 - Prompt Crafting (10 min)
 - AI Art/Design Generation (30 min)
 - Final Submission (5 min)
 - Judging & Results (15 min)

7. Judging & Evaluation

- **Judging Criteria:**
 - Creativity & Originality (40%)
 - Relevance to Pirate Theme (30%)
 - Prompt Innovation (20%)
 - Visual Impact (10%)

Scoring Pattern: Max 100 points.
Tie Breaker: Judge's Choice.
Judge/Panel: (To be confirmed)

8. List of Topics/Tasks/Challenges –

- The **sub-theme** will be announced on the spot.
- Each team will then be given **3 topic options** under that sub-theme.
- Teams must **choose any 1** and create artwork that matches both the sub-theme and the chosen topic.
- This ensures fairness, surprise, and room for creativity.

Examples of Sub-Theme & Topic (for reference only, not revealed before the event):

Sub-Theme: Hidden Havens

- Topic 1: Secret Pirate Cove
- Topic 2: The Floating Pirate City
- Topic 3: Treasure Beneath the Waves
